He said that the Board feels that it needs to plan ahead and not arbitrarily raise taxes. He added that staff will be kept informed. Mr. Dudenhefer said that there is a need for all Board members to be on the same page, in conjunction with guidance and direction to staff, and that since this is an item involving Personnel issues, there was legal viability for holding the discussion in Closed Meeting. He further stated that he did not wish to raise the anxiety level of staff and that there were going to be multiple discussions on getting to the 5% reduction as painlessly as possible.

Mr. Woodson said that he agrees with Mr. Dudenhefer but worried about the impact on delivery of services to citizens. He further inquired if public safety personnel would be included in the reduction of staff. Mr. Romanello responded that staff is working now and that the impact on services will be included in his report to the Board on March 1st.

Mr. Snellings said that he made his earlier motion because he felt that the Schools did not meet the County midway and that while he respects the members of the School Board, they did not provide the requested explanation. Mr. Snellings said that he would vote in favor of Ms. Stimpson's motion but with reservations. Mr. Dudenhefer said that he, too, would vote favorably but that he has not been happy with the actions taken lately by the School Board. He added that trust is a two-way street and that he feels as if the School Board has not made a diligent effort to meet the Board of Supervisors halfway.

Mr. Milde stated that he agreed with Mr. Snellings and Mr. Dudenhefer adding that he would like to ask the School Board to reconsider their vote to reinstate the Joint Subcommittee.

Following the discussion, Ms. Stimpson motioned, seconded by Mr. Milde, to adopt proposed Resolution R11-44 with changes.

The Voting Board tally was:

Yea: (7) Stimpson, Crisp, Milde, Dudenhefer, Snellings, Sterling, Woodson

Nay: (0)

Resolution R11-44 reads as follows:

A RESOLUTION TO APPROPRIATE FY 2011 SCHOOL OPERATING MIDYEAR FUNDS

WHEREAS, FY 2010 audit and FY 2011 mid-year review show sufficient funds to appropriate a portion of the remaining FY 2011 School Operating budget; and

NOW, THEREFORE, BE IT RESOLVED by the Stafford County Board of Supervisors on this the 1st day of February, 2011, that it be and hereby does appropriate 4 percent - \$4,024,730 to the FY 2011 School Operating Budget.

Legislative Update Mr. David Gayle, Assistant Director of Legislative Affairs, updated the Board on new legislations presented in the General Assembly relative to Stafford County. The George Washington Toll Authority passed the Senate with no opposition from Senator Stuart or Delegate Cole. Mr. Dudenhefer asked about UDA legislation. Mr. Gayle replied that HB1339 looked at population numbers when creating UDAs. HB1790 makes the creation of UDAs optional, and requires a petition of voters to demand reconsideration of already existing UDAs. Mr. Gayle said that in his opinion, the odds were not very high of Marshall's bill passing. SB1204, otherwise called the "Proffer Punishment" bill, passed its initial vote 34-4 with Senator Stuart voting no. HB1834 removes all local authority to regulate fireworks. There are safety concerns, including those about storage of fireworks. This is scheduled to come up for a vote on February 2nd in Richmond and poses another loss of local authority.

There was an additional discussion about shifting the funding burden of "Line of Duty" benefits from State paid to a local funding responsibility. If passed, it will create an approximate \$100,000 burden on Stafford's budget.

Mr. Sterling asked that Speaker Howell's letter on mandated services be posted on the County's website.

Adjournment At 7:55 P. M. the Chairman declared the meeting adjourned.

Anthony J. Romanello, ICMA-CM County Administrator

Mark Dudenhefer Chairman
